

Lady Grey

“I am very grateful to know I have a home. Not long ago, I was out on the street desperately looking for help. Someone I cared about just let me outside and left. I didn’t know where to go or what to do. I was lost. I had no food. There were cars everywhere. And people kept chasing me away. Then one lady stopped to help me. I was in bad shape and I knew it. I didn’t know what was going to happen next but I knew it had to be better than where I was. Now look at me. I don’t have to worry anymore. I love my friends. I really love my home here. And I know they will not forget me or cast me away. I have found a place where I belong. For this, I am very grateful and joyful.”
