

Rollin

“Hey, hey, hey there! I am Rollin and I am a spectacular rooster. Here are some of the many things that I am grateful for. Hens, without them I am lost. The sun, always. The rain, as it is needed. Worms. Bugs. Mud puddles. People who listen. People who care. Kindness. The quiet of the barn at night when we all listen to each other eating and breathing. The farm and being able to freely explore everything I want – especially the garden beds. Greenies given to us as treats. Freedom. For all of these things, I am truly grateful. Let’s hear some things you are grateful for. What things are on your list?”
