

SPRING FARM CARES PRESENTS

Purrfect Readers

**Are you a kid who really likes to read but is shy about reading out loud?
Or maybe you are simply trying to become a better reader?
Or maybe you really love to read out loud and need just the right friend to read to?**

We have the purrfect solution!

Come on over to Spring Farm CARES and read to one or more of our cats. Our cats love to be read to and will help you to become even better readers. Share a book with some cats who are waiting to listen. You can bring your own or we have some books here as well.

First time readers must schedule an orientation visit first.

Our staff will show you around so that you are comfortable as to which rooms you are drawn to go into. Come let a cat friend choose you!

GUIDELINES:

- Open daily from 10AM - 4PM
- Sign in at the front desk.
- Check the board to see what rooms are off limits.
- Children must be accompanied by adults.
- We have children and adult chairs available to take into the cat rooms, as well as blankets, for those who wish to sit on the floor.
- We have some children's books available as well as some coloring books, sketch pads, crayons, coloring pencils and markers for those who would like to share some art time with the cats.
